

Ergozone Stand-Mat

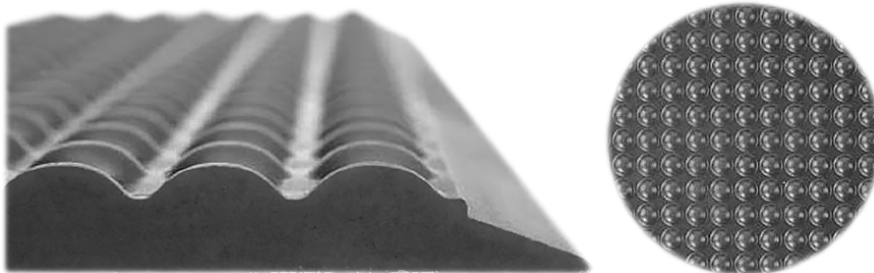

477-MPU1

Workplace mat

A soft damping workplace mat, which significantly reduces the load on the feet. Unique ergonomic design, eliminating and preventing common issues encountered in standing environments.

The design and choice of material eliminates tripping hazards and makes the product long-lasting.

SPECIFICATIONS

- Solid mat, beveled edges
- Material: Foamed Polyurethane
- Color: Anthracite
- Dimensions: 450 x 620 x 15 mm
- Weight: 1400 gram
- Silicone & latex free
- Suitable for office temperatures between 0° to 25° C

Ergozone Stand-Mat

477-MPU1

PROPERTIES	STANDARD	STAND - MAT
• Material		Foamed Polyurethane
• Color		Anthracite
• Weight		1400 gram ± 50 gram
• Length without beveled edges		620 mm ± 1%
• Width without beveled edges		450 mm ± 1%
• Thickness		15 mm
• Density	ISO 2781	330 kg/m ³ ± 10%
• Hardness	DIN 53505	18-28 Sh A
• Abrasion load	ISO 46 49 (5N)	800 mm ³
• Breaking point / Tensile strength	EN ISO 527-1	1 MPa
• Elongation at break	EN ISO 527-1	200%
• Tearing strength	ASTM D 624	1,5 N/mm
• Electrical resistance Surface point to point 50% RH	IEC-61340-4-1/ ESD STM7.1-2001	> 20 x 10 ⁹ Ω
• Thermal properties -Minimum use -Maximum use -Maximum short duration	The ergonomic properties remain	0° 25° 40°
• UV-resistance		Inferior
• Warranty		2 years
