SMARTMOUNT.

Display Handling Kit & Replacement Pads - 6 pk

FOR USE WITH PEERLESS-AV® FULL SERVICE
VIDEO WALL MOUNTS WITH QUICK RELEASE

The ACC-DHK Display Handling Kit provides both easy and gentle movement of video wall displays, while distributing the load over the front of the display glass. Once the display has been installed and serviced, the ACC-DHK allows you to effortlessly maneuver the display back into place. If there are any smudges or fingerprints on your display, the ACC-DHK helps wipe them right off, leaving your display clean and smudge-free. A 6-pad replacement pack can be purchased at any time, and is available under part number ACC-DHP6.

Additional Features

- ✓ For use with Peerless-AV Full Service Video Wall Mounts with Quick Release
- ✓ Distribution of load provides gentle movement of displays into position
- ✓ Wipes away smudges and fingerprints from the front of the display

The Display Handling Kit is essential for the gentle handling of the display during installation and service.
