Accessory Mounting Kit

FOR 65" **SAMSUNG** FLIP (WM65R)

The ACC-FLIP65 is an accessory adaptor that allows the 65" Samsung Flip (WM65R) to be mounted to existing Peerless-AV® Flip solutions. The adaptor brackets are installed between the display and the RM13-FLIP (wall mount) or SR560-FLIP (cart) to allow the display to rotate from landscape to portrait. To help prevent any movement when using the mounted touch display, the adaptors are made from a solid tube for extra strength. The plastic end caps provide a clean, finished appearance.
