

CDM130

Cable reel Ø 230x124 mm

The CDM130 is a high-quality cable reel, featuring a steel tubular frame with a solid and strong drum constructed of high-quality and impact resistant materials. The drum dimensions of Ø 230 mm x 124 mm offers a capacity up to 75 meters of standard microphone (~ Ø 6.5 mm) and up to 38 meters of speaker cable (~ Ø 9.0 mm).

Other present features such as the ergonomic grip, front flange with practical cable holder and blocking brake, makes it a practical tool for carrying any cable to any event or production!
