Digital Menu Board Mount

For 40" to 47" Displays

The Peerless-AV Digital Menu Board Mount allows the combination of multiple wall plates and vertical rails to create the ultimate seamless in-line display appearance. Designed for easy install and effortless ordering, a simple 3-step installation saves time and eliminates tedious measurements. Placing multiple displays evenly in a horizontal arrangement has never been easier. This mount offers flat or tilt viewing options for any desired display setting. Security hardware is included to deter theft and tamper.

FEATURES

- One-to-one solution makes ordering and budgeting easier
- Connector plate creates a continuous wall plate for ease of installation and alignment
- Horizontal adjustment to create a seamless appearance
- Portrait and landscape options
- Continuous tilt from +15° to -5° with IncreLok™ locations of 15, 10, 5, 0 and -5 degrees
