The **VCR/DVD/DVR Mount** attaches below a Peerless® TV mount and is designed to surround and clamp the VCR/DVD/DVR. All mounting hardware is provided for attachment to the corresponding TV mount styles pictured (above left).

#### Features

- All-steel construction
- Scratch resistant black or silver fused epoxy finish
- Four sizes available
- Screws for attachment to the corresponding TV mount styles included

#### Architects Specifications:

The VCR/DVD/DVR Mount shall be a Peerless model DS \_\_\_\_\_. It shall be constructed of heavy gauge cold rolled steel. It shall feature adjustable height and width in a design that surrounds and clamps the VCR/DVD/DVR. The point of attachment shall be to a Peerless TV mount specified as compatible by the manufacturer. The finish shall be scratch resistant black or silver fused epoxy. Assembly and installation shall be done according to instructions provided by the manufacturer.
