Infrared Accessories
GZG 1029 Swivel joint for positioning an IR radiator
GZP 10 Mounting plate
IZK 20 Mounting clamp
IZM 20 Cluster mounting kit

GZG 1029
Swivel joint for aligning radiators. SZI 1029 and SZI 1015 radiators can be directly connected; SI 30 and SZI 30 require the IZK 20 mounting clamp.
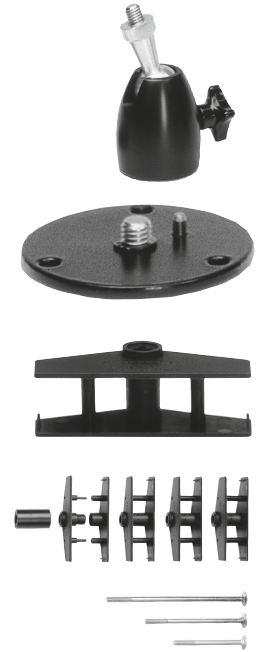

GZP 10
Mounting plate for antenna with 3/8″ thread. Equipment can be attached directly or via GZG 1029.

IZK 20
Mounting clamp for secure attachment of an SI 30/SZI 30.

IZM 20
Contains a flange with 3/8″ internal thread at the bottom and screws for mounting two, three or four SI 30 / SZI 30. Every modulator/radiator must be provided with an IZK mounting clamp (not included). The radiators can be rotated individually.

ARCHITECT'S SPECIFICATIONS
The swivel joint shall contain a 3/8″ external thread at the top and a 3/8″ internal thread at the bottom and shall be designed for aligning radiators. The swivel joint shall allow for direct connection of the SZI 1029 and SZI 1015 radiators. The SI 30 and SZI 30 must utilize the IZK 20 mounting clamp.
The swivel joint shall be available in black or white. The black version shall be the Sennheiser GZG 1029, the white version shall be the Sennheiser GZG 1029-1.

TECHNICAL DATA

GZG 1029

Threads	top: 3/8″ external thread
	bottom: 3/8″ internal thread
Color	black (or white, GZG 1029-1)

GZP 10

Thread	top: 3/8″ external thread
Color	black

IZK 20

Thread	3/8″ internal thread
Color	black

IZM 20

Threads	3/8″ and 5/8″ internal thread
Color	black

Infrared Accessories
GZG 1029 Swivel joint for positioning an IR radiator,
GZP 10 Mounting plate, IZK 20 Mounting clamp, IZM 20 Cluster mounting kit

ARCHITECT'S
SPECIFICATIONS

The mounting plate shall provide a 3/8'' external thread for antenna attachment. The equipment shall be mountable directly to the mounting plate or via the GZG 1029 swivel joint. The color of the mounting plate shall be black. The mounting plate shall be the Sennheiser GZP 10.

The mounting clamp shall provide a 3/8'' internal thread for wall or ceiling mounting an SI 30/SZI 30. The color of the mounting clamp shall be black. The mounting clamp shall be the Sennheiser IZK 20.

The cluster mounting kit shall contain a 3/8'' and 5/8'' internal thread for mounting two to four SI 30/SZI 30. Every modulator/radiator must utilize one IZK 20 mounting clamp (not included). The color of the mounting kit shall be black. The cluster mounting kit shall be the Sennheiser IZM 20.
