

M100

USB Omnidirectional Microphone

USB / PnP / Portable

Product Features

● Compact for Excellent Portability

Compact and exquisite USB omnidirectional microphone for good fit in your pockets and excellent portability.

● Easy to Connect Via PnP

PnP USB is connected to PC, tablet or video conferencing terminal, and is compatible with various systems and software, thus suitable for applications such as video calls.

● HD Calls and Clear Sound

Smart noise reduction, rich sound, clear call, anti-interference, and high fidelity - teleconferencing and video conferencing are always ready.

● A Wonderful Pickup Tool for Comfortable Communication

360° pickup; 6m pickup range; comes with a 5m USB cable (10m optional); no longer confined by the range of conferencing equipment during speech, you can stand and stretch freely during long sessions.
