

MBK212Z

Mounting bracket for HS212(T) speakers

► Features

- U-Shaped mounting bracket
- Left & right side ears for speaker mounting
- U-shaped base for better stability
- Zinc plated finish against oxidation
- Including bolts, nuts & washers
- Included 75 cm steel safety wire

► Applications

- Mounting bracket for Horn Speakers
HS212MK2
HS212TMK2

The MBK212Z mounting brackets are especially designed for mounting the HS212MK2 and HS212TMK2 2-way Horn speakers.

Using these mounting brackets, these horn speakers can be mounted on any ceiling, pole or other position, while aiming the loudspeakers into the desired direction.

They are constructed of steel with a thickness of 4 mm containing a zinc-plated finish preventing oxidation, while the U-shaped profile of the base increases the stability of the speakers.

The bracket comes with the necessary parts, such as bolts, nuts, washers and speaker attachments ensuring safe and secure mounting.
