### Key Benefits

- Cable management
- Modular

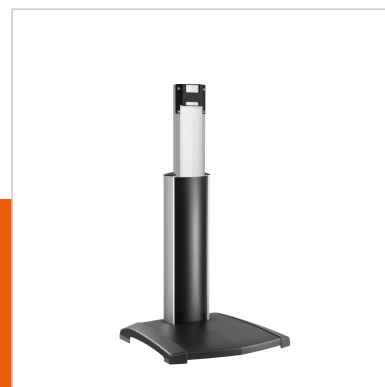

With the PFF 2420 flat display floor stand Vogel's sets a new reference in AV trolleys/stands. Superb quality and design in combination with features as full cable management, height adjustment and autolock makes this new display floorstand one of a kind.

The new series of AV trolleys/stands are designed to provide maximum communication power or design integration. The trolley needs to be combined with the Connect-it interface bars and interface display strips. To create a complete video conferencing solution use the Vogel's camera/loudspeaker holders and loudspeakers. PFF 2420 is the floor stand without wheels in this series. Leveling feet are included.
