The PFT8520 trolley frame is a part of the modular Connect-it system with which you can create a mobile solution for medium- to large-sized displays.

Vogel's Connect-it floor solutions (floor stands and trolleys) is an uniquely flexible system. With only a few standard components, you can create a solution for almost any requirement. From a single display floor stand in a shop window, a back-to-back display set-up in an airport, to a movable video conferencing set-up for corporate use, the flexible Connect-it floor solutions line fits every situation. Connect-it floor solutions can accommodate displays from small to extra large, weighing up to 160 kg. Connect-it floor modules are available in black and silver to fit any interior décor.
