

## PHA 700 AV Support

Article number (SKU)  
Colour

6308700  
Black

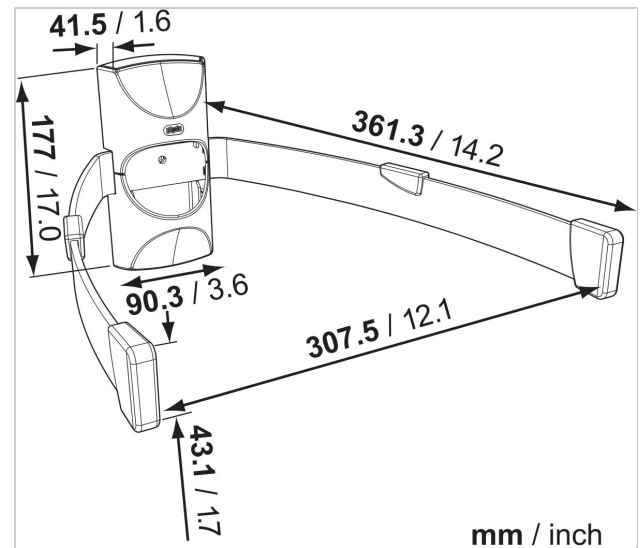

### Key Benefits

- Easy install

Mounting your TV flat to the wall looks fantastic, but where to put your other audio/video hardware (such as a BluRay recorder for example)? The Physix Multi Support is the perfect solution. It also mounts to the wall and can carry up to 10 kg.

The Multi Support can be combined with the Physix Cable Strip for an elegant cable-free solution. Just mount the Multi Support to the wall and cut the Cable Strip to the right length to cover the distance between the Multi Support and the TV, and between the Multi Support and the floor.
