

## PUC 2115 Pole 150 cm

Article number (SKU)	7221154
Colour	Silver

### Key Benefits

- Cable management
- Modular

The PUC 2115 is an 150 cm pole and is a part of the modular Connect-it system with which you can create your own ceiling solution for small- to medium-sized displays.

The PUC 2115 is equipped with a double cable duct system with which you can quickly and simply ensure that all cables are concealed. The pole is made of aluminium and, therefore, it can be easily cut at the required length. Therefore, combine a pole with one of the Connect-it ceiling plates or the truss adapter and a Connect-it interface for a complete ceiling solution.
