

# GLI05

## Front grill for CIRA5 series speakers with cloth & outdoor treatment

The GLI series are optionally available front grills with TwistFix™ technology for the CIRA loudspeaker series. The GLI grills fits the CIRA5 speakers and are available in 3 versions : black (/B), white (/W) and paintable (/P)

The TwistFix™ system assembles the speakers' grill through twisting. A bajonet type locking with lips on the grill side gets fixed through insertion to slots on the speakers housing and giving it a partial turn. This system guarantees lifetime stable mounting while fixation can be done in a record-breaking time.

### Product Features:

Dimensions	193 mm (Ø)
