IP66 Waterproof outdoor Wall Mount Speaker

QAL WIP660RW

Specifications are subject to be changed without notice.

Description

It is a new design IP66 Waterproof outdoor Wall Mount Speaker, which is Beauty, Durability, Performance and User Friendliness. It delivers high quality audio as well as clean and clear announcements for public address systems. The Unique Rear Covers not only helped to cover the Euroblock Connector and Bypass Selector (PA Transformer) in the rear of the speaker, but also designed to merge seamlessly with the OBE Bass Radiator and the overall design of Speakers.
Default white color, black color optional.

Features:

- ▶ IP66, all weather wall mount speaker for indoor and outdoor use
- ▶ With power tap for 70V/100V and 8 Ω
- ▶ Quick installation with water-proof brackets
- ▶ Fashionable appearance with high quality sound
