SF680(P)

Display size
60"- 98"

Max load
350lb (158kg)

SMARTMOUNT®
# Universal Flat Wall Mount

FOR 60" TO 98" DISPLAYS

Peerless-AV's SmartMount® Universal Flat Wall Mount delivers an ultra-slim profile designed to hold large displays up to 350lb. Installation and maintenance are made easy with the SF680's robust feature set. Auto-latching adaptor rails automatically secure the display without the use of a tool. The mount's built-in kickstand holds the display safely from the wall during cable routing, while the open wall plate allows for increased electrical and cable management options. Horizontal and vertical display adjustment allow for quick fine-tuning of the mounted display.

The SF680(P) reduces installation time and provides the most stable mounting solution for large interactive displays.

Additional Features

☑ Universal mount fits displays with mounting patterns up to 1100 x 650mm (43.29" W x 25.59" H)

☑ Low-profile design holds display only 1.73" (44mm) from the wall

☑ Easy hang wall plate allows a bolt to be pre-installed to ease wall plate installation

☑ Laterial display adjustment up to 19.25" (489mm)

☑ 1" of post-installation vertical adjustment provides flexibility in the installation

☑ Includes fastener pack with all necessary mounting and display attachment hardware (including M10)

OPEN AND EASY TO HANG WALL PLATE
Total wall access reduces installation time and allows for increased electrical/cable management options

HORIZONTAL & VERTICAL ADJUSTMENT
Post-installation leveling and side-to-side adjustability features allow fine tuning of the mounted display for the perfect display positioning

AUTO-LATCHING ADAPTOR RAILS
Securely lock display in place with an audible click

QUICK-REMOVAL DRAW STRINGS
Leave on for easy access and maintenance to back of display or remove for a theft-resistant installation

BUILT-IN KICKSTANDS
Hold the display safely from the wall for cable routing and effortless maintenance

For mounts requiring theft resistant hardware, installed with security tool (included), please purchase SF680

For mounts requiring standard hardware, installed with a Philips screwdriver, please purchase SF680P

RoHS

Please visit peerless-av.com/en-us/patents for patent information.

Low-profile design for a sleek, yet compact installation

Comes in color packaging with included installation hardware and easy to follow instructions.
