

Smart Spot plus

Product Code: SG SMTSPOTPLUS

Moving head SMART Spot 60W led

Description

SMART is the first real line created for the DJ world and occasional users, designed in every detail to offer maximum possibilities to those approaching the world of lighting or indoor entertainment for the first time. Smart Spot plus is the smallest SDJ moving head, with a 60W white LED source that works with a fixed and independent wheel consisting of 7 gobos and a colour wheel that can be controlled separately with 7 dichroic filters. The internal software was designed using one of the most intuitive interfaces of the market.
