SP746PU

SMARTMOUNT®
Pivot Wall Mount
For 32"-50" Displays

Supporting displays up to 50" the SP746PU mount provides pivoting functionality for the viewing angle adjustment when full articulation is not required. This user-friendly and easy to install mount delivers one touch side-to-side swivel and tilting functionality that is complemented by its lightweight construction and intuitive three step installation process. Adding to its pivot functionality is the mounts clean aesthetic, contributed to by its cable management system that easily organizes and routes cables, focusing all the attention on the display. Designed and built in the USA.

Display size: 32"-50"   Max load: 70lb (32kg)

FEATURES

- Universal display adaptors provide compatibility with up to a VESA® 400 x 400mm mounting hole pattern
