

# Platinum Design Series

## Premium Tripod/Boom Systems

Platinum Design Series Mics.

### General Description

Platinum design tripod/boom systems are engineered to provide the highest level of performance and quality for high demanding applications with the positioning convenience and compact storage advantage only a tripod stand can provide. Night after night on stage or session after session in the studio, performances will never be compromised by a mic stand failure when you use the Platinum Design Series tripod mic stands & booms.

T3664 – Versatile stand that is adjustable from 36" to 64" to meet the needs of seated and standing instrumentalists and performers. Model includes two section metal tubing with 3 piece clutch for easy vertical height adjustment. Unit also features three, low profile metal legs with cup terminations for optimum stability and balance. The end is threaded 5/8"-27 and includes a lock-nut ring for versatile positioning of accessories or extension boom. The T3664 has a base spread of 25" (653mm) inches and weighs 5lbs without boom and 7lbs with boom.

T1930 - Versatile stand that is adjustable from 19" to 30" to meet the needs of seated instrumentalists and performers. Model includes two section metal tubing with 3 piece clutch for easy vertical height adjustment. Unit also features three, low profile metal legs with cup terminations for optimum stability and balance. The end is threaded 5/8"-27 and includes a lock-nut ring for versatile positioning of accessories or extension boom. The T1930 has a base spread of 25" (653mm) inches and weighs 4lbs without boom and 6lbs with boom.

B2237 – Adjustable boom designed to be used with the T3664 or T1930 vertical mic stands. Friction notches on the boom swivel are designed to prevent sagging even when used with heavy microphones. Cast 0.5 lb counterweight allows for proper boom positioning while maintaining boom arm balance. B2237 is adjustable from 19" to 37".

TB3664 – Kit includes (1)T3664 & (1)B2237 Combination - Ebony

TB1930 – Kit includes (1)T1930 & (1)B2237 Combination - Ebony
