VIA Connect PRO
Wireless Presentation and Collaboration Solution

| HDMI | Ethernet - RJ-45

VIA Connect PRO is a wireless collaboration and presentation solution that makes sharing and presenting in meetings easier. With any laptop or mobile device, users can view, edit and comment on documents in real time, share files and chat with individuals or multiple participants simultaneously. The solution can show up to four screens on the main display. From any laptop or mobile device, students, teachers or any in-room meeting participant can view the main display, edit documents together in real time, share any size file, turn the main display into a digital whiteboard, and more. The solution features iOS mirroring via AirPlay™, Windows & Android mirroring via Miracast™, as well as ChromeBook mirroring. VIA Connect PRO is ideal for huddle rooms, offering the best price-performance on the market

FEATURES

60fps Streaming Multimedia - Share HD wireless video streaming (using the VIA app Multimedia feature)

Wireless Connection for up to 254 Devices - Utilizing Compatible External Wireless Network

iOS and Android Mirroring

Wireless Device Connectivity - No dongle needed

DHCP Support

Graphic Output Formats - Outputs to either an HDMI or Mini DisplayPort display. Note: Does not support graphic output to both the HDMI and Mini Display Port simultaneously

Cloud-Based File Sharing - Drag and drop files to the internal VIA cloud storage (32GB)

Whiteboard Support

Digital Signage - Enables you to display dynamic content and information on the main display when there is no meeting in progress. Use a predefined template or create your own display configuration with up to three frames of content that appear simultaneously. Schedule campaigns (content configurations) to run automatically at specific dates and times.
NOTE: All VIA devices purchased after June 1, 2019 include the Digital Signage feature. If your device was purchased before that date, the feature can be purchased separately, see the ACCESSORIES & RELATED PRODUCTS tab

Control - Give a participant control over a presenter's PC for true collaboration

Chat - Send an instant message to another user

iCloud Integration

Seamless Integration with VIA Site Management (VSM) Software & the VIA Pad

Multilingual Support - Experience VIA in your language

Warranty - 3-years on hardware
