

QAL ZSD928AC / QAL ZSD928AR 10W Pendant Speaker

Built around professional acoustic performance, reliable industrial quality, flexible installation design and minimalist aesthetic styling, this speaker perfectly addresses sound reinforcement challenges in high-ceiling and non-suspended ceiling environments. It is an ideal solution for commercial public address, background music and emergency voice systems. Compatible with mainstream public address equipment, the product offers easy installation, strong stability and low maintenance costs, helping to create a consistent, clear and stable acoustic environment.
